

Come & join us!

Apply now for an internship starting 01.03.2027 - we look forward to seeing you!

UX/UI Design Intern

YOU

love designing in between emotion & technology

- ... are in your third year of studying for a BA in interface/interaction/communication design or
- ... are studying for an interface/interaction/communication design MA & have a BA with a digital design focus
- ... would like to support full time on site for at least four months
- ... use design and prototyping tools like Figma, Adobe XD, Framer, Zeplin, Sketch & want to apply your design methods & learn new ones
- ... are using AI tools in your work flow & ideally have experience in motion animation using Figma, Adobe After Effect, Blender or others
- ... enjoy designing, innovative ideas, want to learn by working on delivering projects & gain design expertise
- ... have the courage to try out new things & develop yourself further

WE

focus on the beauty of understanding!

- ... are a design studio in the heart of Hamburg & highly motivated experts for holistic design projects in hardware & software
- ... develop brand-specific design languages & deliver sophisticated projects for our national & international clients across a variety of industries
- ... we design user interfaces for technical products & services in a human-centred design process
- ... we create design visions & drive innovation
- ... value trends in technology & society, & prioritise accessibility & sustainability in our projects
- ... are an excellent team with a passion for outstanding design
- ... work in interdisciplinary teams – at eye level

Then we are curious about your portfolio!

Apply before the 30.11.2026
